3RD NOVEMBER 1890, No. 2894 W., PUBLIC WORKS.

GOVERNMENT OF MADRAS.
PUBLIC WORKS DEPARTMENT.

Buildings and Roads.
Civil Works.

READ—the following paper:—

From Lieut.-Colonel A. C. SMITH, R.E., Superintending Engineer, VI Circle,
to the Chief Engineer, Public Works Department, dated Trichinopoly, 27th
October 1890, No. 1479 T. J.

I have the honor to submit, for your approval, the accompanying revised estimate, amounting to Rs. 6,375, for constructing a sub-division bungalow and out-houses at Mannargudi, Tanjore district.

2. The original estimate of Rs. 6,375 was sanctioned in G.O., No. 795 W., dated 24th March 1886. The amounts of the original and revised estimates are the same, and no excess expenditure is involved by the revision now made.

3. The cause of revision is due to the change of design, and it would appear that the accompanying revised design is more suitable for a sub-division officer's quarters than the original one. The sub-division office and out-houses will be built as per sanctioned plan and estimate.

4. I request that the plan and estimate may be returned to me with your approval as soon as possible for execution, in order that the current year's allotment of Rs. 4,000 made in G.O., No. 2187 W., dated 12th August 1890, may be fully utilized.

5. The original sanctioned plan and estimate are also herewith submitted for reference. If the revised plan meets with your approval, I request that the same be wired.

ORDER—dated 3rd November 1890, No. 2894 W., Public Works.

The revised estimate, amounting to Rs. 6,375, for constructing quarters for the sub-divisional officer at Mannargudi, is sanctioned in supersession of the estimate of the same amount sanctioned in G.O., No. 795 W., dated 24th March 1886.

2. This sanction has been registered as Provincial No. 65 W. of 1890-91, and classified as Civil Buildings, Original Works.

3. The following telegram will be despatched to the Superintending Engineer, VI Circle:—

"Your 1479 T.J., twenty-seventh ultimo. Revised plan approved."

(True Extract.)

I have the honor to submit,
for your approval, the accompanying
revised Estimate amounting to
Rs 6,375 for constructing a Sub-Division
Bungalow and out houses at Man-
nargudi, Tanjore District.

2. The Original Estimate of
Rs 6,375 was sanctioned in G.O. No. 7954
dated 24th March/86. The amounts
of the original and revised Estimates
are the same and no excess expen-
-diture is involved by the revision
now made.

3. The Cause of revision is

Public Works Department.

Current No. 10,243
Letter No. 1449 T.J.
Dated 24th October 1890
From the Supt. Eng. VI Circle

Sanction: A telegram
can be sent after we have
seen the papers. 30.10.90
In G.O. 140795 W
of 24th March 1886
Sanction was recorded
in the construction of
a residence for the
Sub Divisional Officer at
Mannargudi in the
Tanjore Dist. at a cost
of Rs 6,375.

The Supt. Eng. VI Circle
now submits a revised
plan & estimate which
it is explained will
afford more suitable
accommodation at
the same cost.

The main difference
between the two designs
is that the former
provides all the accom-
modation on one
floor whereas the
latter provides it
on two floors.

The Office & Sub-Divisional
buildings are to be
constructed in accordance
with the design previously

Sanctioned -

In letter of 3rd March 1886
No 90 B sanctioned in
G.O. No 6324 of 14th March
1886, the Govt of India
sanctioned a sum of
Rs 6560 for the quarters
at Mannanagudi, this
being the cost it does
not appear to be necessary
to apply the exception ruling
of the Govt of India, in
regard to cost, to this
building as it is already
covered by a Special
Sanction -

The Supy. Engineer
requests that if the
plan is approved
the same may be
communicated to him
by wire to enable
him to the work in
hand at once with
a view to the completion
of the current year
statement of Rs 1000.

The rules are the
same as those quoted
in the Sanctioned
Estimate -

The Sanctions of the
cost of timber are correct
+ in every other respect
the Estimate appears to
be in order. Cost 31.10.90

The arrangement of
the roofing makes an
ugly building, to be
a verandah in front
is necessary in the
upper story to cover in
the staircase, and if
a similar verandah were
placed on the back to
make the roofing more
symmetrical, the cost of
the building will be
increased & the question
of roof will have to be
taken up under the
next order. I think
therefore that the
Est. may be improved by
inc. that the plan is
approved.
