GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

General.  
Establishment.

READ—the following papers:—

From D. DUNCAN, Esq., M.A., D.Sc., Acting Director of Public Instruction, Madras, to the Chief Engineer, Public Works Department, dated Madras, 4th October 1890, No. 10065.

I have the honor to forward, for favorable consideration, copy of a letter from the Principal, College of Engineering, No. 487, dated 9th ultimo, suggesting that the guaranteed appointments of College students as Assistant Engineer and Overseer might advantageously be made with effect from 1st January.

ENCLOSURE.

From Captain H. D. LOVE, R.E., Principal, College of Engineering, Madras, to the Director of Public Instruction, Madras, dated 9th September 1890, No. 487 C.

I have the honor to suggest, for the consideration of the Chief Engineer, Public Works Department, that the guaranteed appointments of College students as Assistant Engineer and Overseer might advantageously be made with effect from 1st January. Hitherto the guaranteed appointment as Assistant Engineer has, I believe, generally been made on 1st April. Guaranteed appointments as Overseer will be conferred next year for the first time, the students finishing their practical course on 31st December 1890. I make the above suggestion on the ground that it is of importance to students who have spent four-and-a-half and five years in being technically trained to secure remunerative employment as early as possible.

Office note from the Examiner, Public Works Accounts, dated Madras, 17th October 1890, No. 6209.

Code para. 68 fixes no date from which the guaranteed appointments from the Madras College of Engineering are to be made by Government, and Code para. 81 D. fixes the date of commencement of service from the date of joining first appointment. If it is intended to make the appointments from 1st January 1891, it is suggested that a report may be made to the Government of India.

ORDER—dated 3rd November 1890, No. 2895 W., Public Works.

As the practical courses of passed students of the Madras College of Engineering terminate at the end of December, the guaranteed appointments as Assistant

Engineer and Overseer will be made from 1st January, but actual service will count only from the date of joining first appointment.

2. A copy of these Proceedings will be forwarded to the Government of India for confirmation.
