Sir,

We the Superintendents of Sections of the
office beg to submit the following facts for your
kind consideration and orders.

We reside at great distances from the office
and are obliged to keep conveyances to take us to
and from work. Owing to the distance from our
homes we are compelled to keep our conveyances
and horses here, but we have no accommodation
for them and they are consequently exposed to
wind and weather all the year round. We need
not specially bring to your notice the damage
and risk our horses and conveyances undergo by
this exposure or the great loss to us by having
our property so exposed, but we most respectfully
beg you will kindly sanction the erection of
a few more stalls near the office for our use, for which

Stalls are provided for
the two assistants in the
P.W. Secretariat, but
not for clerks following
same.

I do not think it would
be advisable to build any
more stables. If provided for
this office there would be
even more moving offices
from the other this at Chandra

For order -

If stable accom-
modation is provided
for members of the Secy
& Secy. Offices, the
concession must appa-
rently be extended
to all the offices in
the block.

The stable accommodation
for the 3 offices named
by CH, may be sent,
but it is impossible
to provide such for all
the clerks in these
offices -

yes -

So given the accom-
modation in
for all offices would
involve the construction of
sixty stalls a fairly small

Office.

I may mention that the same
consideration may be expected by
the Subordination of other officers.

I have the honor to be
