READ—also the following paper :—

From the Sanitary Engineer to Government, dated 10th September 1890, No. 371.

ABSTRACT.—Forwarding proceedings of the Sanitary Board, dated 28th August 1890, No. 341, waiving their objections to the Masnigudi tank supply scheme and suggesting that samples of water be sent for chemical examination.

ORDER—dated 23rd October 1890, No. 2714 L., Local and Municipal.

Recorded.

2. It appears to His Excellency the Governor in Council that the rule embodied in G.O., 8th August 1890, No. 1971 L., under which this copy is submitted to Government, involves an unnecessary amount of scriptorial work and should therefore be modified. Under that rule it is necessary that copies of all proceedings of the Board shall be communicated to each member of the Board. This direction will be cancelled and all proceedings of the Board will in future be communicated to each member in original. Nor does it appear necessary that Government should receive not only the proceedings of the Board but also copies of all papers read in those proceedings. It might be found sufficient if an abstract of the proceedings of the Sanitary Board, similar to the abstract table of contents of the miscellaneous and routine series of Revenue Board's Proceedings, were submitted to Government. The Board will report its views on this point, and meanwhile rule 8 of the rules issued in G.O., 8th August 1890, No. 1971 L., will be cancelled.
