RECEIVED NO 3/50 1890

FROM J Thomson Esquire,
Ag Collector,
TANJORE.

TO C. A. Galton Esquire
Secretary to Government
Revenue Department
Through the Board of Revenue
Land Revenue

SIR,

Referring to para 2 of G.O. 1079 W.
P.W. dated 10 April 1890 Communi-
- cated with G.O. No. 2681 dated 1st
May 1890 R.D. I have ^{the longer} to submit
herewith a plan showing the Executive
* to be returned Engineers' Quarters at
Nagapatam, the Municipal
office there and the passage between
them.

The land handed over to the
D.O.W. in 1887 is colorwashed and
the place where the Executive Engineer
has put up a fence and blocked
the formerly used path is marked A
in blue pencil in the plan. The passage
is not measured in Paimash as path
but is a portion of the Kadambadi
"maidan". Before the land colorwashed
was

was given over to the D. P. W, it-as
well as the other lands in the maidan
was not enclosed, and handies and
people were using it as a short way
to the well beyond the Compound
on the East. The giving the land for
the D. P. W Engineers Quarters has
necessarily interfered with the former
way to the well, but it does not
appear that the public has any
rights to such way the maidan
being Government property. A more
Circuitous way has to be taken
but they are not prevented from
access to the well.

I have the honour to be
Sir,

Your most obedient servant

For Ag Collector
