GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

General.
Establishment.

READ—the following paper :—

From G. H. D. WALKER, Esq., Under-Secretary to the Government of India, Public Works Department (General), to the Secretary to the Government of Madras, Public Works Department, dated Simla, 7th October 1890, No. 2759 G.

With reference to rule IV in para. 5 of Public Works Department Resolution, No. 528—43 G., dated the 6th April 1882, laying down the conditions under which temporary Engineers are to be employed, I am directed to state that the Government of India considers that, in the case of persons who are engaged for a special work, their engagement cannot extend beyond the period during which the work lasts. If dismissed, otherwise than for serious misconduct, before the completion of the work, they will be entitled to a month's notice, or pay in lieu of notice; but in any case, with or without notice, their engagement terminates when the work ends. The object of this order is to prevent claims for a month's pay after a work is completed, when the formal month's notice has not been given, or has lapsed from any cause.

2. This should be clearly explained to men engaged under the circumstances mentioned.

ORDER—dated 4th November 1890, No. 2913 W., Public Works.

Recorded, for guidance, in continuation of G.O., No. 1438 A. W., dated 9th June 1882.
