From

A. M. Hayes Esquire
Executive Engineer
Ganjam Division.

To

The Supg. Engineer
I Circle

Sir,

With reference to your No. 752 G. A.
dated 22nd September/90, I have the honor
to inform you that better progress on Estate
works will be shown in future months.

As I have already endeavoured to
explain, the current year opened without
hardly a single estimate for fresh work pre-
pared; hence expenditure in the early part
of the year was bound to be small. I hope to
utilize the grants already applied for with
certain modifications. The Subordinates i.e.
the two Estate Overseers have already been
with-drawn from Barlakimidi. The accounts
are being settled with as much despatch
as possible.

With reference to G. O. No. 2595 W.

1 Copy of letter dated the 3rd October/90 I have the honor to
No 3885 E. of
30-9-90 report that the surrenders already made from
the grants for the Estate works in the
Ganjam Division were approved of in G. O.

2 The Executive Engineer Ganjam Dn.
has, in reply to a memo sent by me to him,
on the subject of short outlay on the Estate
works, reported, that the Expenditure in
the early part of ^{the} current Official year
was small, owing to a sufficient number
of Estimates not having been prepared for
works, and that he hopes to be able to
utilize fully the modified grants - Copy
of

of his letter No. 388 S.E. dated the 30th Sep-
-tember/90 on the subject is herewith en-
-closed for your information. I trust
that the Progress Report of Estate works
for the month of October/90 will show
better results, and that a portion of funds
already relinquished may be applied for
later on in the year.
