The aecg. memoranda
and others of a similar
nature, are being sent
on to India without
remark.

All of these however
contain a statement to
the effect that by
the reduction of two
divisions, two ~~or~~
are superfluous
and will have to be
absorbed before pro-
motions can be given.

This of course is
incorrect, as the dis-
tribution between the
several grades is based
on the number of
engineers actually on
the list, and accord-
ing to my reckoning
~~the~~ cadre. If there
are extra engineers on
the list, the circum-

Nance is beneficial to
the memorialists -

It may be advised
to say something on this
point in the Fort. Order,
as otherwise the Fort.
of India will think
that it has escaped
entirely here.

I think it will be
as well to mention
the matter in an
order to come to the
the Govt of India.
Mr Taylor will be
to return his memorial
as it contained an
important statement;
probably the only
in existence.

Pray that only officers
may be transferred from the
Madras P.W. to the Dept. and
work left to the one who is to
appear the latter dept. in the
under. Pray the prospects
of promotion, which are
in his case very poor may
not be further decreased.
