Mm.

For orders whether the
estimate may be ap-
proved & transferred
to the P.W.D. The
question is asked as
the building is valued
at only 7000 Rs: & the
estimate for renewing
the roof is 3410 Rs: it may
be exceeded.

J.O.B.

I don't understand. Does

the note say just that the
estimate may be disapproved
What is the bearing of the
fact that the building is
valued at only 7000 Rs?

Mm.

The intention was to suggest
for consideration whether it
is worth while to spend 3410 Rs.
on re-roofing a building valued
at only 7000 Rs. When perhaps
the former sum, and the value
of the materials of the present
building will go a long way to-
wards the cost of an entirely new
church.

J.O.B.

I think the estimate may be
approved & transferred 27/10
