Read the following:—

From the Superintending Engineer III Circle

No. 2125 dated 25th October 1890.

FOR ORDERS.

The undersigned recommends a re-consideration of the decision contained in G.O. No. 1696 dated 18th June 1890 that the status of the Bellary division cannot be raised.

The budget grants of the three divisions of the III Circle are given in the margin. The Cuddapah division is rated as 2nd class, with an office establishment

Cuddapah — Rs 125,849

Kurnool — " 160,857

Bellary — " 179,203

costing Rs 253 per mensem.

Kurnool is classed as a special division with an office establishment costing Rs 437 1/2 per mensem, while Bellary, which includes the two Collectorates of Bellary and Anantapur and has the largest amount of the three is rated as a 3rd class division with an office establishment costing Rs 220 1/2 per mensem.

It is recommended that Bellary be raised to the 2nd class, and if this be sanctioned the effect on the office establishment would be

2nd Class

1 clerk	60	80	70
1 do	30	40	35
2 do	20	30	50
1 Draftsman	50	70	60
1 do	20	30	25
1 Messenger			7
1 do			6
			253

be as shown below:—

3rd class

1 clerk	50	60	55
1 do	30	40	35
2 do	20	30	50
1 Draftsman	35	50	42 1/2
1 do	20	30	25
1 Messenger			7
1 do			6
			220 1/2

It will be seen that the difference is only in pay, but Rs 50 & 35 per mensem is considered very small inital pay for the head clerk and draftsman respectively considering the importance of the division.
