The list of promotion
included in office note
in 4530C & 5-11-20,
has not been further
dealt with, apparently
in expectation of a
reply from C to the
O. U.

It does ~~not~~ not
appear however that
a reply is called for.
The C raised a certain
question, which was
replied to by this
office -

Submitted therefore
that the minute of
appointment might
be taken to Council
next Tuesday, if
approved by this body
in Council, the list
might be sent to

tion in

The number of
engineers actually on
our list at present
is less than the reduced
Comd sanctioned by
the G.O.D. so that

there can be no further
question as to the
admissibility of the
proposed promotions
viz Mr de Winton.

The C only wants an
order from this office
to publish the list.

If it appears I think
the publication of the
promotions might be
done in order as the
list is apparently long

This note is not

quite correct in my
opinion.

We have received our
2 copies of the former
establishment &
the G.O. general
shows that, as on
previous note is
sufficient.

The facts of the case
are that Mr de W
was included in
the previous note

of 54, & the book 79
having accepted that
note, a S.F.L. form 2

ought to be made when
Mr de W (one of the
Officers in [unclear]) is
temporarily promoted.

To W.
The list of promotions & re-
versions in the Engineer Establish-
ment received with your office
note, has been checked and found

correct. The only point on which orders of Government are necessary is in regard to the admissibility of sub pro tem steps in place of Mr. W. B. deWinton, Executive Engineer Madras P.W.D. now in the Military Works Department.

2. Mr. deWinton was transferred to the Military Works Department temporarily on the abolition of the late Presidency Division. The Government of Madras have not reduced their scale of Engineer Establishment in consequence of the transfer of Military Works from under their control to that under the Inspector General Military Works. It seems doubtful whether the Government of India would allow sub pro tem steps being given in his place.

OFFICE NOTE.

From

W.

To

C.

With reference to the first para of your office note No. 6465 of 1st November 1890, I have to point out that the circumstances under which substantive promotions may be made are distinctly laid down in G.O. No. 3381 of 21st December 1882 and that Mr. deWinton is an officer "temporarily detached from the Department".

2. As regards para 2, the scale has been reduced from 86 to 84, in consequence of

of temporary works to the
Military Works Department,
vide G.O. No. 2661 W of 10th
October 1890 - Mr. deWinton
is now lent to the Military
Works Department for
special duty, and is not
transferred temporarily
on the abolition of the late
"Presidency Division"; when
the special duty on which
he is employed comes to
an end, he will return
to Madras without any
reference to the abolition
of a particular division

OFFICE NOTE No. 6411.

dated

To

W.

Your office note No. 4530 C. dated 5th.

November 1890.

The existing number of officers
is 82 against a sanctioned cadre of 84
(vide G.O. No. 2661 W. dated 10th. October
1890). Technically therefore, there ap-
pears no objection to sub pro tem pro-
motions being made in place of Mr. W.B.
deWinton.

2. The reduction in the sanctioned
cadre is only nominal, and as no of-
ficers of the Engineer Establishment
were actually transferred to the Mili-
tary Works Department along with the
transfer of Military Works in Madras &
as it is understood that the temporary
transfer of Mr. deWinton to the Military
Works Department was agreed to in con-
sequence of the transfer of Military
Works, orders of the Government of India
to sub pro tem promotions being given
in his place appear necessary. In the
meantime however, the promotions and re-
versions etc. will if approved by

Government be sent to Press for publication.

between this office and

in accordance with
the orders contained
in Government of
India Resolution No.
878-900 G dated 16th
June 1882. but the
Examiner P. W. Accounts
is doubtful whether
the promotions are
admissible for the
reasons stated in
his office note No.
6611 dated 8th November
1890. As however the
number of officers
actually on the list
including Mr. DeWinton,
is 82 against the reduced
cadre of 84 sanctioned
in your letter No.
2444 G dated 6th
September 1890, I am

to say that in the opinion
of this Government
there is no ground
for the Examiner's
objection. The Examiner
moreover appears to
misunderstand the
position, for Mr. de Winton
is now lent to the
Military Works Depart-

duty, and not
transferred temporarily
on the abolition of
the late Presidency
Division; when the
special duty on which
he is employed is
completed he will
