The Superintendent Engineer

Thro.

The Executive Engineer
Vizagapatam Division

I have the honor to request that you will recommend me for the increment of Rs 50 per month sanctioned in Para 477 dt 3, if my service has been satisfactory.

I have served one year in England and 2 years 10 months in India mostly under Executive Engineers J. E. Paul Esquire and J. Triall Esquire.

I was presented applying in April as I then drew pay as 1st Grade Asst Engineer but my reversion is antedated to that month, and I have to refund over 4 months' excess pay I hope you will recommend the increment if sanctioned to be antedated to April.

Enclosed
Application SIR,

I have the honor to forward an application, in original, from Mr. Loam Assistant Engineer, 2nd Grade, for an increment of Rs 50 per mensem, under para 477 Note 3, as he has served for 3 years as Assistant Engineer 2nd grade.

2- The application of Mr. Loam is recommended by Mr. Traill Ex. Engineer Tirunagapatam, under whom Mr. Loam is now serving. I have been too short a time in the Circle to have been able to form an opinion of Mr. Loam's service, and moreover during the time I have been in charge of this Circle, Mr. Loam has been only engaged in office work in the Ex Engineer's Office, as he was ordered down from Potinghy on account of fever in June last. As however there is no record in this office of his service being

unsatisfactory. I would beg to re-
commend that Government be
pleased to allow the increment from
the 1st April 1890.

3. Before forwarding this applica-
tion I have ascertained from the
Examiner P. W. Accounts "that Mr. Loamy,
Assistant Engineer 2nd Grade, may be
allowed the increment of Rs. 50 with
the sanction of Government with effect
from 24th August 1889 or such subse-
quent date as Government may see
fit to fix".

I have the honor to be,
Sir,

Your most Obedient S^t.

J. D. D. Brown.

Sup^t Engineer 1st Circle.
