I have the honor to invite your attention to this office letter No. 2734 dated 30th September 1890 requesting sanction to the conveyance of my two horses, grass cutters and the Comp't Cot from Bangalore to this place and I request that you will be so good as to accord sanction at an early date.

Two claims for the same were struck out of the travelling allowance bill for September 1890 by the Examiner for want of sanction. Regarding the claim made for expenditure incurred by me, in consequence of the change in my posting made by the Chief Engineer, it must I suppose be referred to the Chief Engineer.
