READ—the following papers :—

From J. D. GRANT, Esq., Superintending Engineer, I Circle, to the Chief Engineer, Public Works Department, dated Dowlaishweram, 10th December 1889, No. 1209 G.N.

With reference to your memorandum No. 5634 C., dated the 2nd December 1889, I have the honor to submit herewith a proposition statement in the prescribed form for the establishment required for the preparation of estimates for works in the estates of the Ganjam division. The proposition statement does not include provision for clearing jungle and contingent charges, for which a separate estimate will be sanctioned by me, the amount of which will be about Rs. 550. The balance of the lump sum, Rs. 5,500, will be sufficient to keep the proposed establishment employed for eleven months. I hope that with the sanctioned lump sum the work will be finished, but if necessary a revised allotment will have to be obtained from the Court of Wards.
