To.

The Chief Engineer
P. WD.

Sir:

In the return of Military Buildings at Victoriaopoly, Item No 7/2 E I "new latrine for women" is reported to be getting dilapidated and is becoming a nuisance to the locality - this latrine was evidently built when the Recreation Room and Racquet Court for European Infantry was in use - these latter buildings were demolished under Go No 3006 of dated 14th Nov. 1887 -

2. The executive Engineer reports that the station staff officer states that there is no objection to the building being disposed of, and that it is not under his charge, it having been struck off the Military Return.

3. under the circumstances

I have the honor to request that sanction may be accorded to dispose of the latrine in public auction –

I have the honor to be
