Application for modifications of allotments in the first circle

Division	Item No.	Names of Works &c	Existing grant	Modifications proposed. Increase.	Reduction	Remarks.
		Imperial - Civil Works				
		Postal Repairs				
	1	Lump sum grant	700	...	250	The Executive Engineer reports that there are an insufficient number of Estimate to work out the grant fully, hence the surrender; the amount can be transferred to the Ganjam Division where it is much wanted.
Vizagapatam Division		Provincial Original Works				
		Civil buildings				
	2	Constructing Deputy Tashildar's office and Sub-Jail at Gajapatinagaram	8,800	..	3,800	The Executive Engineers reports that the surrender is due to failure in getting tenders for the execution of the work. The Executive Engineer should have commenced the work Departmentally - and he will be requested to do so. As it is improbable that the whole allotment will be utilized even though the work is now taken in hand, Rs 3,800 are relinquished.
	3	Do Sub registrar's office at Bimlipatam	1,000		1,000	Surrender is due to the work not being necessary; it has been proposed to utilize the vacant Munsiff's Court house at the place as Sub-registrar's Office.
	4	Do Deputy Tashildar's office and Sub Jail at Srungavarapukota	8,690		4,690	The work has been given out on contract and the contractor agreed to complete the work by the 30th September 191, and so the whole grant cannot be spent within the close of the official year.
