To

The Joint Secretary to the Government of Madras, Railway Branch

Public Works Department

Simla, the 3rd November 1890

Sir,

With reference to your endorsement No. 2656 W. and 2790 W. dated respectively the 9th and 20th October 1890, forwarding memorials addressed to Her Majesty's Secretary of State for India by Mr. P. R. Allen, Assistant Engineer and Mr. J. E. Paul, Executive Engineer, appealing against retarded promotion in the Madras Public Works Department in consequence of the recent transfer of certain works to the Military Works

Department

partment having been carried out without the
fer of any senior Officers, I am directed to re-
t that the Memorialists may be informed that
distribution of the Staff of Engineers between
ses and grades is made on the actual and
on any fixed sanctioned strength, so that
re is no question as supposed by the Memorialists
absorbing supernumerary Officers before promotions
n be made. The fact of no Military Officers
ving been transferred to the Military Works
partment does not, therefore, retard their promo-
ion through the Grades, except so far as they
ay lose for the time by certain Officers senior
them being still retained on the list.

I am moreover to point out that the
rangements in connection with the transfer
the Military Works to the Military Works
partment are still under discussion.

I have the honour to be
