4TH DECEMBER 1890, No. 3207 W., PUBLIC WORKS.

GOVERNMENT OF MADRAS.  
PUBLIC WORKS DEPARTMENT.

Buildings and Roads.  
Civil Works.

READ—the following paper :—

From Captain H. A. STREET, H.M.'s I.M., Presidency Port officer, to the Chief Secretary to Government, dated Madras, 27th October 1890, No. 1070/518G.

With reference to G.O., Financial, No. 701, dated 25th September 1890, I have the honor to beg that it may be pointed out to the Government that, until the receipt of the order, I had no idea that repairs to the old quay wall at the Masulipatam Fort were needed. I was not consulted in the matter by the Executive Engineer, Kistna Eastern division, and the local Port officer informs me that the fact of the wall requiring repair does not appear to have been communicated either to him or to his predecessor.

2. The Port officer also states that if it is the old moat wall which is to be repaired, he does not think that the cost should be met from Port funds. I would beg that the Public Works Department may be desired to send me the correspondence which led to the estimate for repairs being submitted, and I submit that, in all cases where the Public Works Department propose that the Port fund of a district should bear the cost of any work, I should be made acquainted by that department of the nature of the work.

Transferred to the Public Works Department with reference to its memorandum No. 4764 C., dated 20th November 1890, for the necessary action.

(Signed) J. F. PRICE,  
Chief Secretary.
