PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following paper:—

From the Acting Superintendent of Stationery dated
7th November 1890 No 1667:—

A large quantity (1000 reams) of country paper was indented for by the Examiner of Public Works Accounts in 1884 for printing certain descriptions of Public Works Department Forms, of which he now wants to return into my stores about 905 reams as he does not require them. As the paper must have deteriorated during these 7 years and as I have already made arrangements with the contractors for the quantity of paper required during the year, and am pressed for room, I have the honor to request that Government will be pleased to authorize the Examiner of Public Works Accounts to sell the paper referred to above by public auction.

Order 28 November 1890 No 876

The Examiner of Public Works Accounts will be authorized to sell the paper in question at auction, if no public office at the Presidency requires it. This should be ascertained as the paper will fetch
