With reference to para 2 of G. O. No. 1718 W. dated 20th. June 1890 regarding the question raised by the Superintending Engineer Ist. Circle as to whether the latter part of para 1966 of P. W. Code, laying down that "a formal allotment of funds is not necessary in the case of works continued from a previous year and likely to be completed within the current year with an expenditure not exceeding Rs. 500", applies to works the funds for which have to be obtained from other departments, I beg to state that in my opinion the rule quoted should not apparently apply to Local Fund Works & request that with the approval of Government the exceptions should be codified.
