Dated Sulur, 21st November 1890.

Sir,

With reference to your letter dated 25th ultimo, No. 5132, I have the honor to state that as no suitable site can be found for constructing an office at Ganapati and as the office itself is located within a short distance of Coimbatore, it is in contemplation to abolish the office and to distribute the villages comprised in the sub district among the adjacent

Sub

sub districts. The necessary statistics have not yet been received from the District Registrar of Coimbatore and on their receipt, proposals will be submitted to Government for abolishing the Ganapati Sub Registrar's office. In the circumstances stated above I request that the preparation of plans and estimates for the construction of an office building at Ganapati may be deferred pending the receipt of final orders of Government on the subject.

I have &c.a,
