LETTER—to the Secretary to the Government of India, Public Works Department, dated Ootacamund, 5th September 1890, No. 2391 W.

In forwarding a copy of the Proceedings of this Government, No. 2390 W., dated 5th September 1890, I am directed, with reference to rule III, para. 28, chapter XI, Government of India Public Works Code, to request the sanction of the Government of India to the proposal to let a room in the married quarters of the vacant European Infantry barracks at Cannanore to the widow of late Overseer Edwards at a monthly rent of Rs. $2\frac{1}{2}$.

2. I am further to request, with reference to rule II, that this Government may be permitted to let the abandoned Military buildings at Cannanore to private parties, &c., at such rents as may be obtainable, or to dispose of them as may otherwise seem desirable. Since the reduction of the number of European troops at the station, many of the Military buildings have been vacant and are not likely to be again required for Military purposes, while it is understood that private owners are glad to let their houses free of rent, merely on the condition that they are kept in repair.
