To The Executive Engineer
Eastern Division Kistna.

Sir, With reference to your letter No. 4102 &
2696 dated 8th December 1888 & 9th September 1889
respectively, I request to say that the Supervisor
of the workshops at Bezwada has led this matter
to such unnecessary correspondence as this.
Of course I had on the 23rd September 1888 sent
him (Supervisor Workshops) a telegram as far
as I believe asking merely whether a steam boat
would be available. I believe has received
a reply from him with a wording "Yes"
thirty six rupees; by the time I had the said
reply I had given up my idea of the intended
trip. A few days after on receiving a bill of
Rs. 13-0-0 as alleged steamer charges I
had requested the said Supervisor as admitted
by him in his letter to your office No. 423 dated
1st December 1888. to send me the original

itself
telegram, if possible or a copy thereof to satisfy
myself and settle the matter at once. which act
of mine I believe you would not take under
the head of imprudent ones. The said Supervisor
instead of ~~my~~ complying my request stated above
referred the matter to your office requesting
to take legal steps towards the recovery of the
said amount. Now I beg to draw your atten-
tion once more for an attentive perusal of the
papers connected of this affair and find out
whether I am justified in asking the telegram
or a copy thereof to be furnished, and whether
I shall be liable for any such demands without
satisfying me of my liability as per documents.

The sole object of mine in writing such an
argumentative and long letter which of course
is to invade upon your valuable time is nearly
to lay the exact facts in their own color before you
for a reasonable conclusion but not to in-
vade any reasonable payments nor to relieve
myself from the terror of being led to any civil
judicature. In conclusion I therefore beg to
furnish me a copy of telegram so as to enable
me to settle the matter at once.

(True copy) I beg to remain, Sir,
Your most obt. servant.
Signed, E. Venket Kristna Rao

Letter from W. J. P. P. P. Executive
Engineer, Krishna Eastern Division, to the
Superintending Engineer 2nd Circle, dated
9th November 1890, No. 3808.

I have the honor to report that
there is a sum of Rs 18-00-00 due
from one E. V. Kristna Rao, a pleader
of Gunthi for Steamer hire since
the September 1888, and that in
spite of frequent reminders to him
he has failed to pay up.

2. E. V. Kristna Rao sent a
telegram to the Supervisor in charge
of the Workshops on the 22nd
September 1888 to the following effect.

"Require Steam Launch, leave
Bezavada 24th ^{of} ~~the~~ ^{month} ~~the~~ Can you oblige
when will it reach Bunder.
wire, cost."

3. The Supervisor wired a reply
stating that the Launch would be
ready and that the cost would
be Rs 36 and kept it ready with
steam on the evening of the 24th.
E. V. Kristna Rao, however did not
put in an appearance.

4. A bill was, therefore, prepared
for the time the Steamer was under

steam paid was sent to him on the 19th October for payment.

5. It does not appear that E. V. Kristna Row took any notice of this until after several reminders had been sent to him when on the 12th October 1889, one year later he wrote to the Executive Engineer stating that his telegram was no order for the Steamer, but only an enquiry and requested that a copy of it might be supplied to him. A copy was sent.

6. Up to date no further communication has been received from him although repeated reminders have been sent to him asking him to pay the bill.

7. In these circumstances I have the honor to request your permission as required by Code para 412 to institute legal proceedings for recovery of the amount.
