There are a few points in connection with this list that require consideration

(1) Are 3 Assistant Engineers necessary for Nellore ?

(2) Are 6 Supervisors required for the Buckingham canal ?

(3) Are 2 Assistant Engrs required for North Arcot ?

(4) Is it necessary to retain three Sub Engrs against Cuddalore Bridge works ? I think it is —

(1) (3) That number of Asst Engrs is also the staff of A.Es is necessary ; formerly the empty A.Es and mistr subdivisions in charge of Sub Engrs ; I see no reason to alter the distribution

(2) Five are employed at present on the distribution —
