13TH DECEMBER 1890, No. 3308 W., PUBLIC WORKS.

GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

Buildings and Roads.
Civil Works.

READ—the following papers :—

From G. D. WYBROW, Esq., Superintending Engineer, I Circle, to the Chief Engineer, Public Works Department, dated Dowlaishweram, 10th November 1890, No. 1564 G.D.

I have the honor to submit herewith an estimate, amounting to Rs. 8,480, for widening and gravelling the river flood bank from Dowlaishweram head-sluiice to 4 miles down the left bank of the Gowtami-Godávári for adopting it as a road, and to request that you will be so good as to obtain the sanction of Government for the same. Copy of the Local Fund District Board's Proceedings, Godávári, dated the 4th April 1890, in which the Board have agreed to meet the cost of the work, is herein enclosed. The portion of the flood bank referred to is at present allowed to be used for traffic, but as it is getting very much cut up, to the danger of the bank, it is proposed to widen the bank to 12 feet wide at top and to prevent the same. The work will be carried out by this department.

Office note from the Chief Engineer for Irrigation, dated 26th November 1890.

ORDER—dated 13th December 1890, No. 3308 W., Public Works.

The estimate, amounting to Rs. 8,480, for widening and gravelling the river embankment from Dowlaishweram head-sluiice to mile 4 on the left bank of the Gowtami-Godávári, is sanctioned for execution by the Public Works Department.

2. This sanction has been registered as Local No. 31 W. of 1890-91.

TO,

THE President
S. F. Board Godavari

Dowlaisheram, 7th December 1899

SIR,

In forwarding herewith copies
of letters noted in the margin I have the
honor to enquire whether you think the
flood bank from Dowlaisheram for 4
miles down is required for a road & if so
whether you are prepared to meet the cost
of widening, gravelling & otherwise adopt-
ing it to that use. If not for the safety
of the bank which is being much cut up
in places — I must, I fear stop carts and
animals from passing along it.

I have Yrs. Servant

RECEIVED

No. 1564 G.D.

ENCLOSURES 6

SUBJECT.

River flood bank from
Dowlaisluwaram to the river
to 4 miles down the left
bank of the Godavari
Submits an estimate of
Rs 8480 for widening and
gravelling the — for deepening
it as a road & requests to
obtain sanction of Govt to
the same.

W.E.I.

for favour of
remarks.

D
W

There is no objection
whichever to the proposal.

The conditions of
up-keep will be those
as set by the Godavari
District Board 24 June
1887 - (see printed
Conditions - Govt).

26/11/90

Public Works Department.

Current No. 11172

Letter No. 1564 G.D.

Dated 10th November 1890

From the Super. Eng. 1 Circle

NOTE OF REMARKS.

The estimate under
review amounting
to Rs 8480 provided
for widening &
gravelling the river
flood bank from
Dowlaisluwaram

Head 1 mile to 4 miles
down the left bank
of the Godavari
with a view to utilizing
it as a road.

It is explained that
the Godavari District
Board have agreed
to meet the cost of the
work.

The following is
a summary of the
work proposed to be
carried out

1st mile - widening to
a uniform width
of 12' where necessary.

2nd to 4th mile. Widening
to a uniform width
of 12' from 9' throughout
the length.

Graveling the whole
length of the road,
i.e. from the house
Stable to the end of
the 4th mile, 12' x 9'.

The rule allowed
for earthwork is
for hard soil but
the nature of the
soil is not stated
in the Est.

The rule for graveling
cannot be checked
as the distance it
has to be brought
from is not given.

The Estimate had
been countersigned
by the President of
the Dist. Board.

It may be well to
refer the Est. to E.D. for
opinion.

Widening & opening
the bank to traffic
would improve
the route.
