To

SIR,

I have the honor to forward for sanction D. P. W. plan and estimate for Rs 1850 for the construction of a 3rd class Police Station House with corrugated iron roofing at Chintoor, Rekapully Taluq, Godavari District.

2. The Station House and Lines at Chintoor were washed away by floods in 1886 and temporary buildings were constructed in 1887 by departmental arrangement on the highest level available in the village close to which it is proposed to build the new Police Station House.

3. Chintoor is a station in the hill tracts on the Jeypore frontier. It is very desirable that there should be a good pucka Station House there and the present thatched building demolished.

I have the honor to be,
Sir,
Your most obdt Servant,

REMARKS.

The building is to be constructed on the lines of the standard design circulated with G.O. No. 1028 W dt/2-8-89.

It is explained that the Rates entered are those in the neighbourhood of the Cantonment & Fort St. George where the difficulty of procuring workmen who have to be brought from Pondicherry or Bangalore and entire absence of skilled labour make the circumstances of the Cantonment exceptional -
