Native Army—Pensioners.

No. 20-P.

GOVERNMENT OF INDIA.

MILITARY DEPARTMENT.

Simla, the 9th September 1890.

It is requested that the above heading, with number and date of this communication, may be quoted in any subsequent correspondence on this subject.

CIRCULAR.

THE Governor-General in Council has been pleased to sanction the following regulations for the employment of pensioned Native soldiers in civil capacities.

2. The object is to popularize military service amongst the recruiting classes of India by enabling Native soldiers to earn some addition to their pensions after they have retired from the service. It is sought to provide a ready means of communication between employers and pensioners who are desirous of employment, and the Governor-General in Council trusts that all concerned will further the object in view as far as may be in their power.

Pensioners will continue to draw their usual pensions, the receipt of which will in no way be affected by their acceptance of situations.

3. The posts in which pensioned Native soldiers might be employed are as under :—

Chaprasis or messengers in Government offices, both civil and military.
Darwans and chaukidars in Government and other offices.
Pointsmen, gate-keepers, watchmen, &c., on railways.
Foresters, forest guards, peons, &c., in the Forest Department.
Village and station postmen.
Warders, &c., in jails.

Employment as darwans, chaprasis and in various other capacities by private firms and tradesmen, contractors, planters, mill-owners and others.

4. Applicants desirous of employment should apply—

- (1) to the Officer Commanding the regiment to which they belonged, or
- (2) to the Deputy Secretary, Government of India, Military Department.

5. Officers Commanding regiments will be supplied with copies of blank rolls in the form attached, which should be filled in and completed as far as possible and forwarded to the Deputy Secretary to the Government of India, Military Department. The names should be entered in separate rolls by regiments and any details required to complete them, after receipt in the Military Department, will be obtained from the men's regiments.

6. The information contained in the rolls will be transferred to registers in the Military Department, and printed lists of candidates made out by districts will be furnished yearly to—

Departments of the Government of India, to heads of all departments under the Military Department and to all civil and military officials who would be likely to be able to give employment to the men, including—

Commissariat and Ordnance officers,
Staff Officers of Districts,
Cantonment Magistrates,
Chief, Superintending and Executive Engineers in the Public Works and Military Works Departments,
Inspectors-General and Superintendents of Jails,
Commissioners of Divisions, Judges, District Magistrates, &c.,
Officers Commanding Volunteer Corps, &c., &c.

The list of candidates will also be sent to Traffic Managers on lines of railway, railway contractors, managers of mills, &c., &c., and to any well-known firms employing labor.

Lists of additions and corrections will be issued quarterly.

7. The fact of the applicants' names being recorded in registers for employment, will not bind them in any way to accept any post that may be offered to them.

It is, however, to be understood that only the names of those men should be recorded regimentally in the rolls who are recommended by Commanding Officers as thoroughly deserving of employment, and who, from their age, character, state of health, and bodily activity, are believed to be in every way capable of performing the duties for which they volunteer.

The names of men who apply for employment through other sources than the Officer Commanding their regiment, as mentioned in paragraph 4, will, if they are not so recommended on reference to their regiment, be finally struck out of the rolls.

8. The officer in charge of the business will act as a medium between the employers and the pensioners, and will afford any information that may be required on either side, but applicants and employers once placed in communication together should ordinarily settle all details between themselves.

9. Reservists may record their names for employment, but the employment must be on the understanding that their annual attendance for training is not to be interfered with.

10. It should be especially mentioned in the rolls if any men are qualified as clerks, mechanics, artificers, &c. It should also be stated, with reference to the preceding section, whether the men are reservists.

11. When applicants are once provided with employment, Government will undertake no further part in the business. The railway fares or other expenses of the men to their destination will be paid either by the men themselves or by their employer. Any advances that may be made on behalf of the men will however be forwarded to them through the Military Department.

12. All communications on the subject of this circular should be addressed to—

The Deputy Secretary to the Government of India, Military Department, Simla and envelopes marked "Employment of Native Pensioners."

13. Notices in the vernaculars will be forwarded to Officers Commanding regiments for distribution amongst men of their corps to send to their homes and to men already pensioned.

14. In future, Officers Commanding regiments will cause all details to be entered in the blank rolls before the transfer of any men to the pension establishment, who may be desirous of employment, and who are thoroughly suitable candidates.
