Supdy. Engineer
office

To

The Chief Engineer
P. W. D.

Sir,

I have the honor to request
that the following modification
of allotments may be sanctioned
at an early date.

Provincial

Original Works.

First Buildings

From

Madura Division

To

Tuticorinopoly Division

(1) Constructing a second
class Police Station house
and five Police huts
at Sandigudi, Estimate
No 5090 sanctioned in
G.O. No 1854 W & F 7th July 1900.
Existing grant No 4340. No 2840.

Minor Works

Lump sum grant No 640.

2. Item 7. It is reported
that there are serious

difficulties to contend with -
There are no roads near the
village and all materials have
to be carried by coolies - It is
also understood that all or
nearly all the labourers will
have to come from the plains
and for this reason it is feared
that there may be difficulty
in keeping up a sufficient supply
when the fernish season begins
probably at the end of February -
Hence a portion of grant is
surrendered -

Item 2. Sufficient estimates having
already been submitted to meet
the existing lump sum grant
for Minor works, the allotment
now applied for is required for
providing lightning conductor
to the present Collector's bungalow,
i.e. old Atillery, Banuaks
at Subinipaly -

I have the honour to be
