338/1

PROCEEDINGS OF THE MADRAS GOVERNMENT.

READ the following paper :—

From the President District Board, Tanjore,
dated 26th November 1890 No 342.

It was decided in G. O. No 389 I, dated 22nd April 1885 that the difference between the traffic receipts and the cost of maintenance of the Védaranaam Canal should be borne equally by Local and Provincial Funds. The Contribution for 1885-86 was accordingly adjusted in March 1887. No advice was received for the succeeding years, and no adjustment was made.

2. The Superintending Engineer now requests payment of the arrears from 1886-87 to 1889-90 which amount to Rs 11541. Please see Copies of the Superintending Engineer's letter No 1457-J. dated 22nd October 1890, and the Public Works Examiner's giving particulars of the claim. Enclosed

3

3. The financial position of the Board does not admit of such a large payment during the current year and it has therefore sanctioned Rs. 5000 from the balance. The remainder is due must stand over.

4. I have the honor to request that Government will be pleased to authorize the Accountant General to place the amount of Rs 5000 at the disposal of the Public Works Department. Copy of the District Board's Resolution and an application for allotment of 3 units to us the prescribed form are enclosed.

Order dated 13th December 1890 No 3249 L. Dis.

The allotment applied for is sanctioned and the Accountant-General is requested to place the amount at the disposal of the Public Works Department.

2. Steps should be taken to adjust the balance due as soon as funds are available.
