Sir,

Enclosures.

With reference to your memorandum No 4391 C dated 28th October 1890, I have the honor to request that you will grant permission to have the plans of the Viceregal Lodge Simla copied by the Photoginestrophie process to scale of the drawings in the Revenue Survey Department. The plans have been lent to me by the Government of India I am anxious to have a set of copies of these to scale in this office for reference. The scale to which they have been published by the India is too small to enable them to be of use as detail drawings.

I have to return the originals to Government of India shortly after the June Arts Exhibition and if they can be copied as above proposed

proposed it will save much time and labour.

I have the honor to be
Sir,

Your most obedient servant.
