READ—the following paper :—

From G. D. WYBROW, Esq., Superintending Engineer, I Circle, to the Chief Engineer, Public Works Department, dated Dowlaishweram, 20th October 1890, No. 861 G.N.

In continuation of my letter No. 822, dated the 15th October 1890, I have the honor to submit herewith second application showing the modifications proposed by the Executive Engineer, Ganjam Division, in the existing grants for the estate works, and beg to request that you will be so good as to obtain the sanction of the Court of Wards for the same. You will observe from the application that the Executive Engineer requires an additional grant of Rs. 3,355, and it is hoped that the Court of Wards will be able to allot it.

2. The reasons for modifications are given in the remark column of the application. I have already requested the Executive Engineer to restrict his expenditure in the Jarada Estate to Rs. 500 till extra funds are allotted for the works of this estate.
