Pay and Allowances

No. 960

3408

Madras, 28th November 1890.

From

Lieut.-Colonel C. F. Thomas,

Controller of Military Accounts,

To

Brigadier-General A. Kenney-Herbert,

Secretary to Government,

Military Department.

Sir,

Adverting to O.G. No. 4369, dated 5th July 1890, I have the honor to submit the marginally noted correspondence having reference to a claim to

(a) Memo from the officer commanding 4th Regt. Madras Pioneers No. 8740, dated 26th Sept. 1890 with 2 enclosures.

Office Note No. 47942, dated 20th September 1890 from the Pay Examiner to Examiner of Public Works Accounts No. 5192 dated 24th October 1890.

From do No. 6534, dated 4th Nov. 1890.

To do No. 5836, dated 20th Nov. 1890.

From do No. 6919, dated 20th Nov. 1890. (O.P. to be kindly returned.)

working pay preferred by the British officers of the detachment of the 4th Pioneers employed on the Periyar Project.

2. If the officers were employed in Superintending working

parties of the Regiment they would appear to be entitled to Working pay under articles 822 and 823, Army Regulations, India, Volume I Part I, but the question on which orders are solicited is whether the charge should not be debited against the Public Works Department.

3. Working pay to Native officers of the detachment has apparently been adjusted in the Public Works Department, as no charges on that account appear in the General State of the 4th Madras Pioneers.

4. The working pay drawn by the British officers of the 1st Madras Pioneers who were employed on the Works in Beluchistan in 1884 appears to have been adjusted in the Military Works Department.

Vide Memo from the Officer commanding 1st Madras Pioneers No 198, dated 12th May 1890.

I have the honor to be,

Sir,

Your most obedient Servant

C. V. Howard

Lt Colonel
Controller of Public Works
C

P. W. DEPARTMENT.

Read the following:—

Enclosure in the Military Department
No. 7367 of 3rd December 1890.

FOR ORDERS.

If the Change is admissible at all, it should, the undersigned considers be debited to this Department under Establishment; there is no ground whatever for debiting it to the Military Works Department.

2. It is very doubtful whether the officers concerned can be said to have "superintended" the working parties; they usually marched them to and from work, and

and an officer was
generally present for
the greater part of the
day, but his presence
certainly did not
save the employment
of a single subordinate.

3. On the whole, though
with some hesitation,
the undersigned re-
commends that the
claim be accepted, and
debited, as suggested above
to "Establishment".

S
W.

McClure

For order

I have the Chief Engineer's
will but accept his
recommendation
