Sir

of the 5 copies of plates sent on the last occasion (Sp. Ins 1704 of 13.2.20) three copies were sent to C.A. & two were returned in this office.

Perhaps the same disposal may make this time -

It seem doubtful whether W or Dw would care to have copies in their room, or whether the latter would be of any interest to G.J.

It is not known why 5 copies of the plates were originally asked for (Sp. Ins 1349 of 20.5.19) - apparently 2 copies would be sufficient - one for

each of the 5 plates re-

Mr Case reported in this paper will probably be sent to Chepstow on receipt. It should be sent with this answer to Chief Secy's Office Fort.

The plates are usually distributed by the Dept, & the endt on the letter should therefore be submitted to Dy. for signature. If the box does not come to hand soon, inquiries can be made about it in Postg Post Officers office & in the Fort.

This paper has come to me without any information to enable me to take up the subject. Kindly let me know (1) What any department has been asked to do in this matter & (2) Whether the plates mentioned in the letter of the P.W.D. of 13-2-1890 does not now belong to the Survey. If so, the order should issue. We ordered a dozen of each of the plates, & I will be able to say how many different plates are wanted.

Of the 15 copies of each plate sent to us we require only 5 for the D.P.I. (N.-W. Provinces) leaving 10 for sale. Please let us know what to do with the remainder.
