Nilgiri District Board's office

Coty, 20th August 1890

From.

C. H. Macartie Esq^r.

President, District Board
Nilgiris.

To

The Chief Secretary to Government

Local and Municipal Department
Madras

Sir,

With reference to para 2 of G. O. dated 2nd August, 1890. N^o. 1916 L. Mis. I have the honor to report that there are five toll-bars on the whole section of the Mettupallicam - Kullar Gudalur Road, of which two stand on the section that has now been retransferred to the District Board between Mettupallicam and Gudalur.

2. Under the existing arrangement the District Board collects the tolls of the five W.P.W. gates and hands over only one-third of the collections and not the whole as is stated in

the G. O. under reply, after meeting incidental charges. The Board thus retains two-thirds.

3. As for the three toll-bars that exist on the section between Kullar and Colacamund it seems advisable to continue the existing practice under which the District Board collects the tolls, retains two-thirds and pays one-third to Government after deducting incidental charges. For the latter two tolls I would propose that with the Road they be altogether transferred to the Board and that all collections be retained by the Board in the same manner as at all the other Toll Bars on the District Board Roads.

I have the honor to be

Sir

Your most obedient Servant
