No. 539

MADRAS MEDICAL COLLEGE,

23rd December 1889.

From

THE PRINCIPAL,

MEDICAL COLLEGE,

To

THE

Director of Public Instruction
Madras.

SIR,

On inspecting the College Buildings and out Offices a few days ago, I was somewhat forcibly impressed, in a manner the reverse of pleasant by the unsatisfactory condition of the College latrines, and I have now the honor to bring to your notice that I consider the latrine accommodation of the College altogether inadequate for the large body of students who now receive their training in it. The latrines now in use were erected in 1864, and consist of two small contiguous rooms 10x8, separated by a partition wall and provided with 14 seats each, or 8 in all. Additional accommodation should have been provided from time to time, to keep pace with the growth of the College and especially in proportion to the gradually increasing number of students; but this appears to have

have been overlooked and absolutely nothing has been done in this direction, during the past quarter of a century for the latrine accommodation, at the present moment, with 315 students on the rolls of the College, is exactly what it was twenty five years ago, when the College had only 46 students.

The latrines, are in consequence always in an unsatisfactory condition, notwithstanding that abundant use of deodorants and the constant presence of two attendants - the site occupied by them is also objectionable being in too close proximity to the European Students' living room and to the main building.

This state of affairs should not be allowed to continue any longer, and with a view of remedying them I would strongly recommend the erection of new latrines on a more suitable site adjoining the railway line, and request you will be good enough to obtain the sanction of Government for the same. If funds are available the work should be undertaken with as little delay as possible.

Two latrines and lavatories will be required one for Europeans and Eurasians and one for natives.

I have the honor to be
Sir
Your most obedient servant
Chittampel J. K. L. C. P.
Brigade Surgeon
Mg. Principal Medical College.
