PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following paper:—

From the Chaplain of Cocanada dated 25th Decmbr 1889.
 From the Venerable, the Archdeacon of Madras dated 6th
 January 1890 n^o. 227.

I have the honor to forward for the favourable
 Consideration of Government a letter from the Rev. Dr.
 Durham, Chaplain of Cocanada, asking for a further
 grant of Rs 3000 for completing the church at that station.
 2. By G.O n^o. 2570 W 7th September 1883, Government was
 pleased to sanction a grant in aid of Rs 6000 on an
 estimate amounting to Rs 14,039. Of this Rs 6000 had
 been raised by the church building Committee, and
 the balance of Rs 2039 guaranteed. In 1886 G.O n^o. 586 W
 5th March, a revised estimate for Rs 18,380 was sanctioned
 by Government but no additional grant given.
 3. I personally inspected the church in June 1889 and
 fully endorse the Chaplain's remarks in para III of his
 letter and in consideration of the liberal sums raised
 by the Congregation of a comparatively small station,
 and the impossibility of raising more money in
 the place itself, would strongly recommend this
 Application

Application to Government.

Order 31st January 1890 No. 5

The Government is unable to increase the grant already made which is the maximum admissible for a church to contain 150 sittings.

2. The Local Fund Engineer, Bocanada, to whom the execution of the work was entrusted under G.O. 25704 dated 7th September 1883 will be called on to explain the unsatisfactory state of the building after so large an expenditure on it. He will also submit a statement showing the exact amount of public & private money that has been spent upon the church.
