Through,

Sir,

I have the honor to forward
herewith a List of irrecoverable
tools of the late Sangam Division
received from the Executive Engineer,
Nellore Division.

2. The Executive Engineer brings
to notice that every endeavour
has been made to recover the
articles in question, but in vain,
and that it is difficult and
useless to attempt to fix any
responsibility at this distant
date.

3. There were at one time
over 10,000 tools issued to
Contractors

contractors &c in the late Langam
Project Division, and when after
the amalgamation of the Division
with Kellore Division, the accounts
were gone into, there were 3,040
articles to be recovered and of
these, those shown in the List
under reference are irrecoverable.

4. In these circumstances, I
request you will be good enough
to obtain the necessary sanction
of Government to the tools in
the accompanying List being
written off the Returns under
para 1973 of the P.W. Code.
The total book value to be written
off is Rs. 382-5-0.

I have the honor to be,
Sir,
Your most Obedt Servt
