29TH JANUARY 1890, No. 84, REVENUE.

GOVERNMENT OF MADRAS.
REVENUE DEPARTMENT.

READ—again the following G.O., dated 18th November 1889, No. 7400, Mis., Revenue:—

Read—the following letter from J. E. PAUL, Esq., Executive Engineer, Western Division, Kistna, to the Superintending Engineer, II Circle, dated 22nd October 1889, No. 1306-S:—

In forwarding, herewith, copy of a letter from the Assistant Commissioner, Salt and Abkari Revenue, Nellore, with the Kistna Treasury Deputy Collector's endorsement, No. 2566, of September 1889, I have the honor to request that you will be good enough to obtain the sanction of the Board for the toll collections at Pedda Ganjam being received at the Chinna Ganjam salt treasury.

2. The toll collections at Pedda Ganjam lock are in excess of the payments made from the impost of the overseer in that portion and so have to be remitted to the Division office through the lock tappal; sending large amounts in this manner once in every 3 or 4 days is dangerous and therefore most objectionable. The nearest treasuries to the lock are Bapatla, 24 miles, and Ongole, 16 miles. Chinna Ganjam salt treasury is only $3\frac{1}{2}$ miles distance. The average monthly collection last year was Rs. 330.

ENCLOSURE.

Letter from the Assistant Commissioner of Salt and Abkari Revenue, Nellore Division, to the Deputy Collector in charge of Treasury, Kistna District, dated Kanuparti, 6th September 1889.

With reference to your letter No. 2168, dated 26th August 1889, forwarding copy of letter from the Executive Engineer, Kistna (Western) Division, about receiving certain money at the Chinna Ganjam salt factory, I have the honor to state that I am unable to issue orders to my subordinate at Chinna Ganjam to receive the amount in his treasury without sanction of the Board.

No. 2566.

Copy forwarded to the Executive Engineer, Western Division, Kistna, with reference to his letter No. 978, dated the 31st July 1889.

No. 1667-K.S.

Submitted to the Chief Engineer, Public Works Department, with a request that he will be good enough, under the circumstances brought to notice by the Executive Engineer in the foregoing letter, to obtain the necessary authority for the Chinna Ganjam salt treasury receiving the toll collections sent by the Upper Subordinate in charge of the lower portion of the Commamur canal.

Superintending Engineer, II Circle.

READ—also the following letter from T. W. RAWLINS, Esq., Accountant-General to the Government of Madras, to the Secretary to Government, Revenue Department, dated Fort St. George, 10th January 1890, No. 37:—

In forwarding Proceedings of the Board of Revenue (Separate Revenue), No. 4024, Mis., dated the 22nd November 1889, reporting that the toll collections at Pedda Ganjam sent by the Upper Subordinate in charge of the lower portion of the Commamur canal may be paid into the Chinna Ganjam salt treasury, I have the honor to state that there is no objection to this arrangement.

2. The amounts should be credited in the Salt accounts direct to the head "Account between Madras and Public Works Department, Madras"—"Remittances to Civil from Public Works Department—" under the detailed head "Payments into treasuries by officers of the Public Works Department, Irrigation Branch," instead of being passed through the head "Salt cash remittances."

3. I regret the delay in disposing of this reference as it was overlooked that the paper was intended to be forwarded to Government, and was not merely a copy sent to me for information.
