Notes of the examination of the travelling allowance, journals &c. for N^o 1 Party Tank Restoration Scheme at Madura on the 11th ^{Jan} ~~June~~ 1890.

The travelling allowance journals of the office and the petty establishments audited from April to September 1889 inclusive are 43 in number and the amount involved is Rs 119-11-6.

2. The claims of individuals are submitted on odd ^{bits} ~~bits~~ of paper without the necessary particulars as to the name of head quarters, hour of arrival and departure &c. The new journal form No. 152-A should be obtained and used in future.

3. The claims of lascars are in vernacular without the English version of the same and are not countersigned by the Controlling officer (the Executive Engineer).

4. x x x x x x x

5. Only one service book was produced viz that of V. Arasamuthu Iyengar. Overseer and this service book requires reattestation the date of last attestation being 28th July 1884.

The entries in the service books of certificates of character should now be expunged unless permission of the Local Government is obtained for their retention.

Madura 3

sd/ H. Rainier
Inspecting Accounts Officer
N^o 149
29. 1. 90

Forwarded to the Secretary to Government
P. W.

P. W. Department with the following remarks for the *P.W.C. 937*
information and orders of Government.

2. Paras 2 and 3 of ^{Report} ~~Report~~. Claims for travelling allowances of office and petty establishments should be drawn up in Form M 152 A with all requisite information filled in, and they should be countersigned by the Executive Engineer in token of his approval. Claims on behalf of lascars should be drawn up in English by any clerk in the Executive Engineer's Office.

3. Para 5 of Report. The service books of all the members of the Executive Engineer's establishment should be obtained from the division from which they were transferred, or if they had no previous service in other divisions, service books should be opened out for them and maintained by the Executive Engineer (vide Code para 864).

4. The service book of the overseer referred to should be reattested by the Executive Engineer and the remarks amounting to a certificate of character expunged.
