READ—the following paper :—

From Colonel W. H. BURTON, R.E., Superintending Engineer, V Circle, to the Chief Engineer, Public Works Department, dated Chépák, 21th January 1890, No. 6945.

I have the honor to request that you will have the undermentioned three estimates cancelled under the circumstances stated against each :—

- | | |
|--|---|
| (1) Altering and improving the present Taluk Cutcherry at Chandragiri, estimate Rs. 3,850, sanctioned in G.O., No. 4600 W., dated 5th December 1878. | This work is not necessary now as it is proposed to build a new Cutcherry (<i>vide</i> G.O., No. 734 W., dated 11th March 1889). |
| (2) Constructing a Native Regimental School-house at Vellore, estimate Rs. 2,150, sanctioned in G.O., No. 318 W., dated 7th February 1884. | The reason for this is obvious as there is no regiment garrisoned or proposed to be garrisoned at the station. |
| (3) Improving the drains outside the compound of the Arkónam Rest-house, estimate Rs. 660, sanctioned in G.O., No. 1543 W., dated 8th June 1887. | The estimate provides for improving the drainage of the existing rest-house at Arkónam, but it is intended to abandon this building and convert the old Deputy Tahsildar's cutcherry into a rest-house. Hence the work not necessary. |

ORDER—dated 6th February 1890, No. 403 W., Public Works.

As the construction of a new Taluk office at Chandragiri has been approved by Government (*vide* G.O., No. 1343, Revenue, dated 4th March 1889), the sanction accorded in G.O., No. 4600 W., dated 5th December 1878, to the improvement of the present building will be cancelled.

2. The question of rescinding the sanction accorded to the following works will be referred to the Military Department for favor of opinion of His Excellency the Commander-in-Chief :—

- (1) Constructing a Native Regimental School at Vellore (G.O., No. 318 W., dated 7th February 1884).
