GOVERNMENT OF MADRAS.
EDUCATIONAL DEPARTMENT.

Read—the following papers:—

From Public Works Department, dated 21st November 1889, No. 5440-C.

ABSTRACT.—Transferring letter from the Chief Engineer, Periyar Project, recommending that provision may be made for holding a special examination in *Précis* Higher Grade for the clerks of No. 1, Periyar Division, under the supervision of the Executive Engineer of that division.

From the Commissioner for the Uncovenanted Civil Service Examinations, dated Madras, 17th December 1889, No. 1270.

ABSTRACT.—Pointing out that there would have been no difficulty in complying if the request were made earlier, i.e., before the October examination was held, but that to accede to it now would cause very great inconvenience apart from the expense it would involve; and adding that if for good reasons a candidate should again be unable to attend at an examination centre and the Chief Engineer would write him and tell him so, he could make special arrangements if satisfied with the proposed supervision at the examination.

ORDER—dated 21st January 1890, No. 42, Educational.

The suggestion of the Commissioner for the Uncovenanted Civil Service Examinations that, before the next special tests are held, the Chief Engineer, Periyar Project, should apply for special arrangements to be made for the examination of his subordinates, is approved.

2. His Excellency the Governor in Council resolves to allow a refund of fee in all cases where a public servant is prevented by the exigencies of the service from appearing for an examination, for which he has duly registered his name. Every application for refund should be supported by a certificate from the local head of the office, stating that the applicant was forbidden to leave his work. The case of C. Krishniah should be dealt with under this ruling.
