Proceedings of the Board of Revenue (Land Revenue), dated 17th January 1890, Mis. No. 278.

Read—the following letter from H. M. WINTERBOTHAM, Esq., Collector of Malabar, to the Secretary to the Commissioners of Land Revenue, dated Calicut, 7th January 1890, No. 31-P.

In its Order, dated 10th May 1889, No. 1233 W., Public Works, communicated with Board's Proceedings, dated 25th June 1889, Mis. No. 3786, Government directed the publication of a notification under Act X of 1870 for the acquisition of four items of land required for the erection of transport lines for the use of the Military Department at Calicut. The Executive Engineer, West Coast division, now applies for four additional items of land required for the same purpose. I have the honor, therefore, to submit the enclosed draft notification and to request that Government may be moved to direct the publication of it in an early issue of the *Fort St. George Gazette*. The parties interested in the land have, with one exception, agreed to the compensation fixed, but in view of the fact that a part of the land needed for the lines has been acquired under the Act, I deem it necessary to take up the part now applied for also under the Act.

Resolution—dated 17th January 1890, Mis. No. 278.

Submitted to Government for approval and early publication.
