Copy of letter no C 44 dated
Cann. Chennai 17th January 1890 from
J. C. Johnston Esquire Executive Engineer
Turnout Division to the Suptg Engineer
3 Circle Secary.

I learn that the Forest
Department has taken in hand the
introduction of the Arabian or edible
date palm into India. The Forest
Officer at Coimbatore has offered
to give me a number of offsets for
planting on canal land and has
lent me a book on the subject entitled
"The future of the date palm in India"
Thacker Spink & Co. Calcutta. This book
has been supplied to the Forest Depart-
ment by Government.

2. As plantations of the edible
date palm would be beneficial to the
canal and country and as special
knowledge is necessary to make them
a success.

I request that sanction may
be

be obtained for the purchase of
four copies of the book in question.

3. The price of the book is not
known.
