Military Works.

READ—the following paper:—

G.O., dated 4th February 1890, No. 890, Military.

Read—the following letter from the Quartermaster-General, to the Secretary to Government, Military Department, dated Ootacamund, 1st February 1890, No. 395-A:—

With reference to para. 2 of G.O., Public Works Department, No. 3636 W., dated 21st December 1889, communicated with Military Department No. 482 of the 22nd ultimo, I am desired by the Commander-in-Chief to say that should the Government of India accord their approval to the revised scheme in its entirety as proposed in this office letter No. 4496-A* of 4th December 1889, for the provision of accommodation in Fort St. George for a wing of British Infantry, the grant proposed to be allotted in the preliminary issue of the Military Works budget of the ensuing financial year, for the additional rooms to Nos. 4 and 5 Field Officers' quarters to adapt them for use as an office for the Surgeon-General, Her Majesty's Forces, would not then be required for that purpose, as in that case the Surgeon-General's office would continue to remain where it is now located.

* Embodied in G.O., No. 5 W. of 6th January 1890, Military Department No. 484 of 22nd idem.

2. His Excellency would therefore recommend that this sum of Rs. 4,915 proposed to be allotted for the additional rooms to Nos. 4 and 5 Field Officers' quarters, be transferred to the work of re-roofing the Military Hospital at Vizianagrum, and considering the urgency and importance of the latter work, I am to express the hope that it may be found possible to provide the balance of the amount required for its completion in the coming official year from savings in any other directions.

Order—dated 4th February 1890, No. 890, Military.

Communicated to the Public Works Department with reference to the orders quoted.

(True Extract.)
