GOVERNMENT OF MADRAS.

FINANCIAL DEPARTMENT.

READ—the following paper :—

From H. M. WINTERBOTHAM, Esq., Collector of Malabar, to the Chief Secretary to Government, dated Calicut, 8th January 1890, No. 53-P.

With reference to G.O., dated 30th September 1889, No. 649, Financial, I have the honor to state that I concur in the recommendation made by Mr. Twigg in letter, No. 2699-P, dated 24th August 1889. I request that the proposal to allot B, one of the blocks, as shown in the sketch, of the Artillery barracks with the out-houses, for the use of the Municipal Civil hospital, and the other A, for that of the Deputy Tahsildar and Sub-Magistrate, may be sanctioned on the following terms :—

- (1) that the block B be rent free;
- (2) that the Municipality execute all the necessary repairs to block B;
- (3) that the Government contribution from Provincial funds on account of Police sick be fixed at Rs. 10 per mensem from the date the building is made over to the Municipality;
- (4) that no permanent alterations to the building are made without obtaining the previous sanction of Government.

2. Conditions 1 to 3 have the approval of the Municipal Council. I enclose, for the information of Government, letter dated 9th December 1889, No. 649, from the Chairman on the subject. The Council's interpretation of the phrase "all necessary repairs" may, I think, be accepted. If an earthquake should destroy the building, Government would probably not require the Council to rebuild it.

3. A—the block proposed for the use of the Deputy Tahsildar—consists of a central hall stone-paved, with two large boarded rooms on each side, with deep verandahs, and at the end two or three smaller rooms about 14 or 15 feet square. The boarded rooms are about 60 feet long by 24 wide, so that the Town Sub-Magistrate's office can be accommodated in one wing. All that is required is a partition wall and some fencing round the verandahs to keep the cattle out.

ENCLOSURE.

From B. D. ROZARIO, Esq., Chairman, Municipal Council, Malabar, to the Collector of Malabar (through the Sub-Collector of Malabar), dated Cannanore, 9th December 1889, No. 649.

With reference to your letter, dated 29th ultimo, No. 3935, and its enclosure, I have the honor to state that the Council, approving of the arrangements suggested by Government in paragraph 11 of their order, dated 30th September 1889, No. 649, Financial Department, are willing to take up the block B of the Artillery barracks alluded to in paragraph 8 of Mr. Twigg's letter to Government of the 24th August 1889, No. 2699, for the use of the Municipal Civil hospital here, on the condition mentioned therein, i.e., that the Municipality shall execute all necessary repairs and that the Government contribution from Provincial funds, on account of Police sick, shall be fixed, or rather allowed, at Rs. 10 per mensem from the date the barracks are taken charge of by the Municipality.

2. By "all necessary repairs" the Council understand *all repairs of ordinary nature required for the up-keep of the building*; and they desire me to inform Government that in case any *unforeseen extraordinary repairs* be necessary for the building, they trust the same will be executed by Government.

3. That the term "the hospital" in paragraph 11 of the above Government order is a mistake, there can be no doubt whatever.

See my letter to Government, dated 22nd May 1889, No. 142, appendix to the Government order.

What the Government meant by it is clearly one of the blocks of the Artillery barracks, and that the block intended to be placed at the disposal of the Municipality is that marked B in the rough sketch submitted to Government with Mr. Twigg's letter of the 24th August 1889, No. 2699, is also clear by his letter to me of the 2nd instant, No. 4065, in which he informed me that "the block intended for the hospital is the block nearest Old Town, not the block in front of the Central Police station."

ORDER—dated 29th January 1890, No. 50, Financial.

The proposal to allot block A to the Deputy Tahsildar and Magistrate, and block B to the Municipality for use as a hospital, and on the several conditions stated in the first paragraph of Mr. Winterbotham's letter, is sanctioned.

2. The expression "necessary repairs" had the meaning supposed by the Chairman. Any extraordinary repair or structural alterations will be carried out at the cost of Provincial funds.

3. Paragraph 11 of G.O., No. 649, dated 30th September, related, like the preceding paragraphs, to the Royal Artillery Hospital, not to either of the blocks lettered A and B; but the subsequent application for one of those two blocks and the decision to allot one of them, cancel the original proposal.
