From the President, District Board, Tinnevely, dated 2 January 1890, No. 10.—

A chowkey belonging to the Public Works Department at Hanga in Tanjore District is being used as a toolshed by the Local Fund Overseer of the same and the Executive Engineer, Tinnevely Division, enquired the Board as to whether they would purchase the building, it being no longer required by that department.

2. The Local Fund Engineer recommended purchase of the building at Rs 350, while the intending Engineer, 6th Circle, fixed the price. It stands at a value of Rs 500 in the books of the Works Department. Considering the slight difference of Rs 25, the District Board sanctioned its purchase for Rs 375 in their Resolution No. 10.
