GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

General.
Account.

READ—the following papers:—

From Lieut.-Colonel S. C. CLARKE, R.E., General Superintendent, Public Works Workshops, to the Superintending Engineer, V Circle, dated Madras, 20th November 1889, No. 2523 W.

With reference to your No. 5544, dated 18th November 1889, I have the honor to inform you that there would appear to be no good reason why the plate-bending machine referred to by the Executive Engineer in charge of the Dowlaishweram Workshops should not be transferred to these shops, although there happens to be a smaller description of plate bending machine in the smithy. If the Government do not object to the transfer, it might be advisable to have the transfer sanctioned towards the end of the present official year.

No. 5829.

Forwarded to the Executive Engineer in charge, Government Workshops, Dowlaishweram, with reference to his letter No. 379, dated 29th October 1889, with request that he will obtain necessary sanction for the transfer of the plate bending machine to the Presidency Public Works Workshops at the end of current official year.

3rd December 1889.

(Signed) W. H. BURTON, Col., R.E.,
Superintending Engineer, V Circle.

From J. D. GRANT, Esq., Superintending Engineer, I Circle, to the Chief Engineer for Irrigation, dated Pottinghi, 8th January 1890, No. 2432 G.D.

With reference to your office note printed with G.O., No. 2671 W., dated 24th September 1889, I have the honor to inform you that on a reference made to the Superintending Engineer, V Circle, that officer has desired that the plate bending machine of the Dowlaishweram Workshops may be transferred to the Presidency Workshops (see copy of V Circle Superintending Engineer's No. 5829, dated 3rd December 1889, herewith).

2. I have therefore the honor to request that you will obtain the sanction of Government, if necessary, to the transfer of the said machine at the end of the current official year, so that the value of the machine be adjusted in the accounts of that year.

No. 4 E.W.

Forwarded to the Chief Engineer, Roads and Buildings Branch, with the request that the transfer of the plate bending machine from the Dowlaishweram Workshops to the Presidency Workshops be sanctioned.

BEZVADA,
4th February 1890.

(Signed) G. T. WALCH,
Chief Engineer for Irrigation.

ORDER—dated 14th February 1890, No. 482 W., Public Works.

The transfer of the machine to the Presidency Public Works Workshops is sanctioned.
