1890

Notes of the Examination of the service books etc. in the office of the Executive Engineer, No. IV Party Tank Restoration Scheme, on the 3rd. February 1890.

Only one service book viz that of M.R.Ry.V.S.Vythianatha Mudaliar, overseer was produced, and in this the date of last attestation being 30th. July 1880, reattestation is necessary.

2. The Executive Engineer has not "retained and carefully filled in his office so as to be available for test audit". Journals in form No. I52 A. of travelling allowance claims of lower subordinates, office and petty establishment, as required by code para 53I, and consequently no audit of such travelling allowance charges was possible; such claims should now be collected by the Executive Engineer & sent to the office of the Examiner P.W. Accounts where the undersigned will attend to them on return from next tour.

3. The Executive Engineer will no doubt attend to code rules on the above subject in future.

Coimbatore

4th. February 1890.

(Signed) H. Rainier

Inspecting (Accounts) Officer.

No. 726 of 12-2-90

Forwarded to the Secretary to Government P.W. Department with the following remarks for the information and orders of Government.

Para I of report.

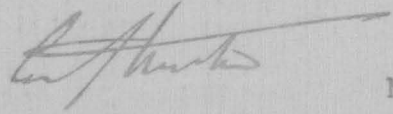

2. The service books of all members of the establishment under the Executive Engineer should have been in his custody. The service books of individuals transferred from other divisions should be called for and service books opened out for all men newly appointed in the Division. The Executive Engineer should report when all that is necessary has been done.

Para 2 of report.

3. The journals of members of the lower subordinate, office and

petty

petty establishments, whether in form M.152 A, or otherwise, on which travelling allowance claims have been paid should now be collected & sent to the Examiner for audit.
