Superintending Engineer's Office,
3RD CIRCLE,

Bellary 13 February 1890.

FROM,

Goldt Smalley R.E.
SUPERINTENDING ENGINEER,
IIIRD CIRCLE.

TO,

THE Chief Engineer
P. W. Department
M. S. R. S.

Sir,

Enclosures.

In continuation of my telegram dated 3rd Instant surrendering the allotment of Rs. 8000 for Guntakal Rest House, I have the honor to state the Executive Engineer reports that the amount cannot possibly be spent within the next two months even though the Estimate is received sanctioned without further delay. It will take at least a month before the work can be given out on Contract and it is hardly possible that so large a grant could be worked out in so short a time. The Estimate has at the present moment up to date.

I have the honor to be
Your most obedient servant

H. Smalley R.E.
