SUPERINTENDING ENGINEER'S OFFICE,

No. 7235

Camp Ravello V Circle, Madras.

Chennai, 5th February 1890.

From

Colonel W. H. Burton R.E.

SUPERINTENDING ENGINEER, V CIRCLE,

To

The Chief Engineer

P. W. Department

Sir,

Enclosures.

With reference to para. 4 of G.O. No. 3645 W dated 21st December 1889, I have the honor to point out that in this circle there are only Civil Buildings works at Bangalore which it will not be possible to execute by our own Departmental establishment and that at that station all works, other than Military, heretofore executed by the Executive Engineer Presidency Division, can be executed by the Mysore P.W. Department at a cost for establishment of 10 per cent on the estimate.

I would therefore request to know whether in these circumstances

it is imperative on me to send
such for execution to the Military
works Department which will
charge 23 1/2 per cent for establish-
ment.

I have the honor to be

Sir

Your most Obedt servant

W. B. Burton

Suptg Engineer & Circle
